AS PLASTİK

KALİTELİ VE DAYANIKLI PROFİLLER SUNAR

AS PLASTİK OFFERS HIGH QUALITY AND DURABLE PROFILES

Misyon: İnşaat ve yapı sektöründe yapılabileceklerin sınırlarını belirleyerek, yarını tasarlamak.

Vizyon: Sürekli gelişim ve yaratıcı yaklaşımımızla her zaman sektörün önde gelen ismi olmak ve kalite standartlarına yön vermek.

Mission: Define the limits of what can be done in the construction and building sector and design the future.

Vision: Always be the leading name in the sector and to direct quality standards with our continuous development and creative approach.

The background image shows a modern outdoor lounge chair with a dark frame and light-colored cushions, positioned on a wooden deck. The scene is set against a wall of vertical wooden slats. The entire image is overlaid with a semi-transparent red filter. In the top left corner, there are diagonal stripes in shades of red and dark red. In the top right corner, there are two white-outlined hexagons. In the bottom left corner, there are two overlapping white-outlined hexagons. The text 'LAMBRI PROFILLERİ' and 'LAMBRI PROFILES' is centered in the middle of the image in a bold, white, sans-serif font.
